LOTTIE

Wow, we're not sure that we've ever seen so much colour on a page in Razzle magazine! "If you're readers don't like the colours on my top and stockings I guess I'll just have to take all of my clothes off!" Lottie giggles. And we're pretty sure that you won't have any of our readers complaining if that's what you decide to do. Whooops, you've already gone and done it, and what a fine set of tits you have, your bum a fanny are pretty good too!!

FUN IN THE SUN

One Sunday morning during the hot weather last year, my boyfriend and I were sunbathing in our back garden, which is not overlooked by the neighbours. We were rubbing sun oil into each other which was really turning us both on. I had just started to fondle him on the sun lounger when his phone rang.

Steve had to leave me all hot and bothered and go to work.

I continued to rub oil into myself. I took my bikini top off and started rubbing oil into my nipples. Then I pulled my bikini bottoms to one side and started rubbing oil into my shaved pussy and playing with myself. After about half an hour there was a knock at the side gate, so I put my bikini top back on to see who was there.

It was two of my boyfriend's mates, Chris and Dave. They had brought some cans of beer and a couple of bottles of wine.

I told them about Steve being called into work and said he would join us later.

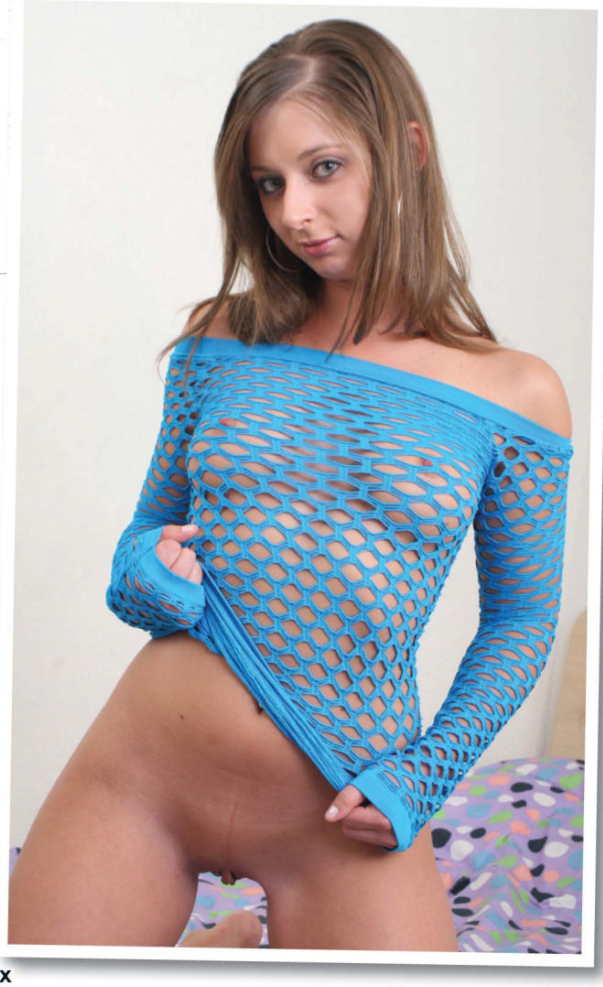
So they pulled up some deckchairs and opened some cans and we all enjoyed a good laugh.

I was applying more sun oil when Chris jokingly offered to put some on my white bits. It was turning me on knowing the lads were watching me. They were shocked when I took off my bikini top and oiled my big tits. I lay down on the sun lounger and carried on drinking and laughing.

I asked Chris to rub some oil into my back and Dave asked when it was his turn to do my front. Then he bent down and started rubbing oil into my legs, getting higher and higher. By this time I was really wet and spread my legs so Dave could go right up to my pussy.

"Chris bent me over, spread my legs and slipped his cock up my arse."

I could tell Chris was really turned on by the bulge in his shorts. I turned over on to my



all over my tits. Chris was so turned on that he removed his fingers from my arse, stood me up, bent me over, spreading my legs and slipped his cock up my arse.

I could see Dave behind us watching as Chris fucked me hard and fast for a minute or two before shooting his load up my rear tunnel. As he withdrew I could feel his spunk running down the back of my leg and I fell back onto the lounger, my pussy pulsing with ecstasy. Then Dave grabbed me, pulled me up and shoved his cock into my dripping wet pussy. Dave's cock was fatter than Chris's and he fucked me for five or six minutes before filling me with his hot seed.

I poured myself a glass of wine then shagged the lads again before heading for a cool shower.

When I came back I had received a text from Steve saying he would be back in an hour so I had just enough time to suck them both off before they left.

They stood side by side as I sucked and wanked them, both nearly cumming at the same time all over my tits and face. I had to go back upstairs for another shower and the lads shouted up that they would see both Steve and me next week. After my second shower I returned to my sun lounger, applied more sun oil and sipped a glass of wine waiting for Steve to return.

Sophie, Wilmslow.

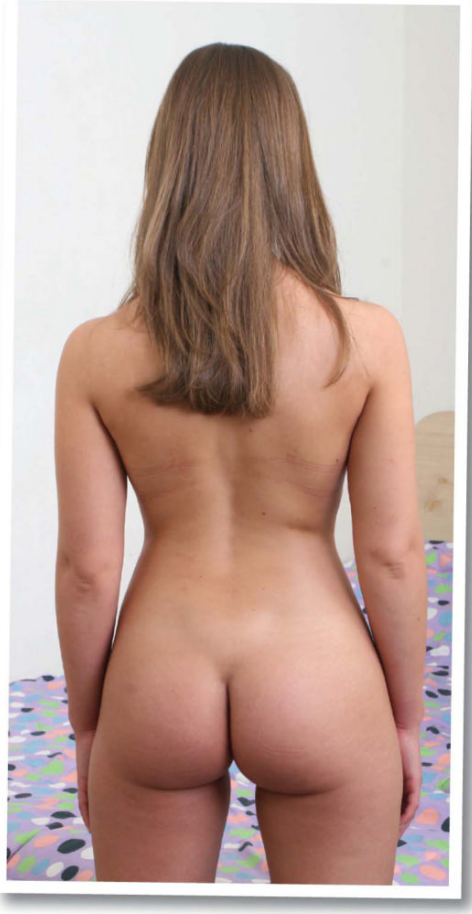
back and Chris started playing with my tits and then leaned over, sucking my erect nipples. I could feel Dave's fingers pulling at my bikini bottom and I lifted my bum so he could pull them right off.

They changed places, Chris sliding two or three fingers up my shaven pussy, pushing them in and out faster and faster until I squirted.

I grabbed Dave and started rubbing his cock hard. He pulled his shorts down and I began sucking and wanking him. I could feel Chris lick my pussy and then slip a finger up my arse.

I sucked Dave harder and could feel him building to orgasm. He started cumming in my mouth and then pulled out, jizzing



PAMPER PUMPER

Recently I went on a midweek break at a spa, with my girlfriend Chloë.

There was a swimsuit rule in the steam room, but a she stripped me off, she said being caught starkers would be the least of our worries if someone walked in on us!

We were dripping wet within seconds, with fresh, clean sweat that made our naked bodies feel so slippery, Chloë's hands sliding all over my tits as she snogged me.

Then she felt her way down, easing them under me to cup the cheeks of my arse as I splayed my thighs.

Even I got a waft of my own pussy scent, so it must have been full on for her as she knelt in front of me, burying her face in my crotch. The moisture was dripping down my body, over my clit, as her tongue rimmed over my labia, then jabbed inside. Then she started fingering my nub, fast and slippy but with the salt from our sweat giving more than enough friction.

Knowing anyone could catch us made it all the more sexy, and I started cumming so hard and so fast. My back was pressed against the hot, wet tiles and I almost slithered off as Chloë brought me to a massive orgasm.

Next, she led me off to one of the little treatment rooms, and bolted the door behind us. Then she dropped her robe to show she was naked except for a strap-on!

She spread a towel on top of the massage table and bent me forwards over it, rubbing her smooth body against my back. A little shiver went through me as her fake prick brushed against my inner thighs, then she pushed it into my cunt and began to fuck me.

She was ploughing me so hard we didn't need steam to work up a sweat, then as we heard a knock on the door she tensed, and started fucking me even harder and faster.

My snatch was already stretched and throbbing, then she reached round under me to give my clit a tickle. I grabbed a corner of the towel and stuffed it in my mouth, gagging myself as I screamed with pleasure.

We walked out bold as brass, Chloë telling the rather annoyed masseuse waiting outside that I'd felt a bit faint after too long in the sauna. If she'd only know what was bobbing about underneath that robe, still coated with my juices...

Gemma, Lincs.

Gemma's husband didn't marry her for her tiny tits! "Hubby isn't fussed about my boobs," Gemma tells us. "He might spend a little bit of time up there nibbling my nipples, but it's what I've got between my legs and butt cheeks that gets him standing to attention. He tells me that I've got the tightest, and wettest, pussy he's ever had. And it was on the night when I introduced him to my even tighter hole that he proposed to me on the spot!"

We always avoided life drawing classes because we thought they were rammed full of naked wobbly old men with scrotums down to their ankles. Well, yes they are, but that's only the ageing Razzle team, as the delicious Sam Bentley and pert pal Amber put on an exhibition those balls slowly withdrawing into our desiccated little ball bags will remember for the rest of their lives.

All she has to do is peel open that invitingly juicy snatch and, almost as if by magic, men all over the country are getting uncontrollable boners going on. "I hope you're right," Amber grins. TRUE CON

THE DIRTY DEVIL DYKES

These are just some of the gorgeous girls I've managed to share a bed with since I split up with boyfriend two years ago and said enough was enough with men. At least in serious relationships. I've come to love cunt just as much as cock – probably more.

I met a woman at a club who clearly had the hots for me. Her name was Kitty, she was about 25 with long fl owing blonde hair and legs that went on for miles. I really fancied her too, and as I hadn't had a cunt for a while I let her seduce me.

We ended up going back to my place. After a glass of wine I suggested I take her upstairs and show her my dildo collection. Her eyes lit up when she saw my cunt-watering arsenal of love toys.

She told me to take my clothes off and lie on the bed. Then she grabbed hold of a massive double dong.

My cunt was wet as anything, but she gave it a good rub anyway to get it even moister. Then she carefully inserted one end of the dildo into my pink hole and began feeding it in. As my cunt swallowed more and more of the massive sex toy, Kitty started to rub my clit. She obviously knew her way around a cunt - she knew exactly where to touch to set me off. Dildo fucking me with one hand and frigging my clit with the other, Kitty soon had me cumming uncontrollably.

When I had finished, she straddled me. Bending forward to kiss my nipples, she inserted the other end of the doubledong inside her own cunt. She kept feeding it in until we had at least seven inches each deep inside us, leaving only a couple of inches or so on the outside.

As Kitty began to slowly ride me, increasing amounts of the dildo became visible as she rose, before disappearing almost entirely each time she sank back down upon me. She was clearly an expert, and I just lay back and enjoyed her fucking and riding me.

When Kitty was close to an orgasm, she slid off me with the dildo still inside both of us. Now sitting open-legged closely opposite each other, I moved my fingers down to Kitty's clit and frigged her off. She threw her head back in ecstasy as the dildo and my fingers brought her to a climax.

After that we had a juicy 69 and really enjoyed tasting each other's cum. Kitty then went back to my dildos. With a wicked glint in her eye, she turned to me with an eight-inch vibrator and a long solid string of anal beads. She told me to get on all fours on the bed, and I did as I was told.

I felt her tongue probing my soaking cunt. Then a couple of fingers went inside me before they were replaced with the vibrator, buzzing at full speed. Kitty

FESSIONS

worked the vibrator in and out of my cunt and over my lips and clit. While she did so, she tongued out my arse.

Then, still reaming me out with the vibrator, she gently inserted the anal beads into my arse. Bead by bead, she pushed the toy deeper into my arse. When the toy was over half way in, she left it there and redoubled her efforts on my cunt and clit with the vibrator.

Just as I was getting close to cumming for a second time, Kitty started to pull the string of anal beads out. As each bead popped out, the orgasmic pressure built up in my cunt. Finally, as the last and largest bead was withdrawn form my anus, I was consumed with a hugely intense orgasm. It ripped through my body, making me shudder all over and scream out loud.

Kitty was so skilful with my dildos she had me cumming again and again all night.

There was also this girl at work called Sam who I recently had a bit of a sesh with. She is short and petite with a blonde bob and small but perfectly formed tits with little nut-brown nipples.

They are perfect for chewing on!

We were chatting one lunchtime, about sex as usual, when we both said how much we liked women. Quite matter-of-factly, she suggested we have a shag sometime. I was a bit taken aback but definitely well up for it.

That night she came round and after watching a film and drinking some wine I asked her to come upstairs with me. When we got to my room she lay down on my bed and I got on top of her, missionary style if I was a bloke. I kissed her soft lips and my hand went between her legs. I could feel the warmth of her cunt through her tight trousers and I couldn't wait to taste it.

I pulled her trousers and knickers off and she removed her top and bra. When she was lying there on the bed, her trim tanned little body waiting expectantly, she looked horny as fuck.

I threw my clothes off and buried my head between her legs. I kissed all over her smooth shaven mound and my tongue found her slit. I parted her sticky lips with my tongue and licked up and down her gash. She writhed with pleasure when I found her clit and sucked hard on it.

Then I introduced my favourite dildo into proceedings. I sat on a chair in frontof Sam and put my feet up on the bed.

Leaning back, I slowly inserted the eight-inch phallus into my soaking cunt.

I frigged my clit and started fucking myself with it, putting on a performance for Sam's benefit. She watched intently as the dildo plunged in and out of my leaking hole. As she watched, her hand found her clit and she started wanking.

We masturbated in front of each other. I was the first to cum, juice pouring out over my dildo as I climaxed. Then Sam started frigging herself faster, telling me she was going to cum. She trembled all over and cried out as she came.

Then she got off the bed and kneeled down in front of me. She took the dildo and licked my juices from it. Next she closed her mouth over my cunt, slurping my cum and sucking on my puffy cunt lips. Then she teased my sensitive clit with the tip of her tongue. She soon had me back on the crest of a wave.

When I came the intense pleasure seemed to last for ages, it was amazing.

Later on she showed me what she could do with a dildo. Sam has taught me a lot about lezzie sex, and she gives me bigger and better orgasms than anyone else.

Some of the girls in the office wear curlers too, like Lucy Zara here, but only to hide their cans of Special Brew in. WIFE OF THE MONTH

TRUE CONF

THE SPICE OF A WIFE!!!

"SUZIE PRODUCED A STRAP-ON FROM HER COLLECTION OF SEX TOYS, PUT IT ON AND ASKED ME WHAT POSITION I WANTED IT IN."

Swinging saved my sex life! It's an unusual situation, and I wouldn't recommend it as a solution for anyone else, but for my husband Mark and me, it has worked.

We've been married for five years, and in the last year or so, my sex drive has gone through the roof! We used to do it a couple of times a week, but we were down to maybe once a week, and I got the impression that was more than Mark really wanted any more, and that he was just doing it for me.

As we are still very much in love, and have a strong relationship, I spoke to him about it, and he admitted that he just didn't feel horny that often any more.

He said that just watching some tits on telly would be enough for him now, and this got me thinking.

If watching would be enough for him, how would he like to watch me with someone else?

Well, I plucked up courage to talk to Mark about it, and after a couple of months I finally did. He was very understanding about my need for sex, but he was dead set against me going with another man – we've both been faithful all these years, and he didn't want another man to intrude on that. Of course I understood that – I even expected it!

I was surprised two weeks later when Mark came to me and said, "Helen, I've been thinking about what you said. I'd quite like to see you with another woman!" I was shocked! I'd had a few fantasies about trying it with another woman before, but actually doing it?

It took me a while, but I kept thinking about it, and eventually I decided I'd like to give it a go!

Mark and I spoke again and ended up advertising on a couple of internet swinger sites for another couple just like us – a woman for me to be with, and her partner to watch, just like Mark. We didn't think we'd get anyone, but we did!

visit www.paulraymond.xxx

FESSIONS

Jed and Suzie contacted us – it turned out they were very similar to us in many ways, so we arranged to meet up in a pub near their home, and if we hit it off we'd go back to their place. Well, we met up as planned and we all got along like a house on fire. The main difference between Jed and Mark was that Jed loved to see his wife get poked by all and sundry, and used it to turn him on and then fuck her.

We went back to their place and Jed hid himself in a cupboard to watch and Mark sat out on the landing to spy on Suzie and me in the bedroom.

I wasn't sure how to begin, but Suzie took the upper hand and kissed me then began to undress me.

Soon we were both naked. It felt so different to feel a smooth female form pressed against me!

She wasn't shy about licking my cunt – again much different to how a man would do it. We got into a 69 so I could lick her too. My first taste of minge was amazing! I took to slurping on cunt like a duck to water!

It was great and when Suzie produced a dildo and inserted it into me I was cumming in minutes!

I tongued and finger-fucked her to an orgasm – I was proud of myself that I'd made her cum! I almost forgot that Mark and Jed were watching us.

Suzie produced a strap-on from her collection of sex toys, put it on and asked me what position I wanted it in. I got onto all fours, and pointed to my pussy – doggy has always been my favourite fuck position!

She slid the plastic prick into me. It felt cool. Then she started to fuck me with it, gently at first, but getting harder and harder until she was banging me furiously! I used one hand to fiddle with my clit. I was getting off again.

My first lezzie experience and it was great! Better yet, both our men were watching us.

I finally came as she rammed the strap-on relentlessly into my hole and I collapsed.

I took a few minutes to recover before donning the strap-on and giving her a go with it. I fucked her as best I could, inexpertly at first, but I soon got the hang of it and was sliding its full length in and out of her soaking wet cunt.

She came, quivering on the fake cock. We were both exhausted. I knew she would have to fuck her husband later too.

Mark was very pleased on the drive home and suggested that we do it again soon, so we've set up another date with Jed and Suzie, and are also looking for more couples willing to entertain our particular tastes.

Jessica, Surbiton.

JULIETTE

"I love living in a studio apartment," Juliette explains. "You can go from fucking on the kitchen worktop, to the sofa and then on to the bed in three thrusts, which is probably a good thing as my fella doesn't last very long! It's probably part my fault as I can squeeze my vagina so tight around his dick that he's got no choice other than to spill his load."

Private Driver

Talking and walking through the corridors of power really can be a bit of a turn on I imagine and it looks like political reporter Sienna Day is starting to feel the heat when a scandal comes her way. But to begin with this anal loving presenter has one man on her mind and her boss is about to get the delights of Miss Day who's tight pussy he can't resist. But there are two debuts to Private in TV Reporter, as Blue Angel gets smashed by Kai Taylor, ending up with a sticky facial, and Loren Minardi jumps in the deep end with DP and an anal blasting threesome. Now that's what we call news!

READY AND ABLE

One night recently, my boyfriend Scott came in after work. Normally I'm doing the ironing or washing up but I was feeling particularly horny this night.

I was naked to ensure he paid attention to my slit and crack all soaking wet with pussy juices and a bit of lube.

I'd been having a good play with both my holes, getting them ready for a cocking.

Next I put on a porno for us. I'd found one of my all-time favourite fuck scenes, which put a rocket up Scott.

Some bird bouncing up and down on a big dick, followed by him slipping her one up the bum.

Scott's prick was slamming my wet snatch hard, and I was slapping my cunt back down on it as he pushed up and in.

"Watch this," I told him, slowing down just before the anal scene. As he watched the bloke's hard prick slip smoothly into the woman's arsehole, spreading it open, I felt his hips buck under me, dick throbbing.

"Want some of that?" I whispered, leaning back to kiss him.

Normally, I make him give me loads of foreplay before he gets to go up my bum, but this time I'd been playing with my dildo, so it was wet and wide open, ready as it could be for his stiffy.

Scott couldn't keep his hands to himself as I wriggled on his knob.

First they cupped my boobs – the perfect fit for them.

Then one reached down to find my clitoris.

We weren't fucking as hard this time, but this way we got to string out the pleasure, his fingers on my bud making me cum, so my pussy juiced all over his crotch and my arsehole tightened round his shaft.

I was squirming around and he was moving me himself too, finding the position that gave him the tightest, deepest screw of my arsehole.

He could probably have held off for an hour, though, until he shoved my cheeks together, so that every inch of his shaft was being squeezed tight. I jiggled up and down as much as I could, so he was pumping in and out.

We both knew when he got close to cumming and I took him deep again.

I reached down, got hold of his balls and rubbed them hard against my cunt, like I was trying to shove them inside it.

But I just wanted him to feel me flow and spurt all over them, as my powerful pussy muscles clenched.

I'll sign off now and see if Scott is ready for a fucking!

Natalie, Lancs.

"I love a nice bottle of bubbly!" Kacie tells us. "It's just like a cock if you think about, if you shake it enough it pops and spurts out it's load. And if I happen to be enjoying a nice bottle of Prosecco on my own, whilst watching the mid-week soaps, I always make sure I take the empty bottle up to bed with me and finish myself off!"
